VII. REPORTS

A. Superintendent's Report

• **Curriculum and Instruction**

- a) I introduced the new Superintendent/Principal, Mr. Mark Pease to our staff at the Faculty Meeting on April 25th. Mr. Pease addressed the staff and we had a reception for him at the end of the meeting.
- b) On April 27 we honored 35 students who had all (A)s for the third marking period at our Superintendent's List Breakfast. Once again this event was well attended by parents/guardians and the Gold Clefs performed two musical selections. We also recognized 72 students who made the Principal's List.
- c) With the school closings, early dismissals, and late arrivals due to inclement weather this year, I am making a recommendation to revise this year's calendar to eliminate the early dismissal on May 18, 2018 and move "Fun Day" to June 14, 2018 so all students have the opportunity to participate and we have a legal school day.
- d) MAP testing took place this week in grades 3-8. The state assessment, PARCC testing, will take place on May 14-17 for grades 3-8. Students in the primary grades will be MAP tested during the same week.
- e) Mr. Pease and I met with the Board's Curriculum Committee this afternoon. Items discussed and reviewed were:
 - Changing from a six to eight period school day schedule for 2018-2019
 - Dropping recess for the middle school students and providing double periods of PE/Health twice a week.
 - Cycle courses for the middle school next year to include: Fine and Performing Arts, STEM, computer coding and webpage design, video production/communications, and career education
 - Fifth grade moving back into the elementary school
 - Tracking A level in the middle school
 - Summer extended school year programs
 - New part-time CST Supervisor, Curriculum Supervisor, and Guidance Counselor positions for 2018-2019

- World Language being taught in grades K-8 next year.
- f) I have been meeting with different groups of teachers and discussing a schedule change for next year that will bring back fine and performing arts to the middle school and provide more time for Math and ELA across all grade levels.
- **School Safety and Security**
 - a) We had a Bomb Threat Onsite Evacuation Drill on Monday, April 30th. Students and staff did a very good job of following the new protocol Mr. Ford and I developed. We are working with Deputy Chief Walsh to make arrangements for an off-site evacuation location in the event that it would ever be necessary to evacuate our building in bad weather.
 - b) I am waiting to hear back NJDOE Training and Technical Assistance Office of School Preparedness and Emergency Planning. The OSPEP offers safety and security planning assistance, drill observation, and will present at Town Hall, PTA and District In-service trainings. These services will be discussed at our next District Safety Committee meeting which will take place later this month.
 - c) Our school will be treated this weekend for wasp control. Notices have been posted and we have sent out sound blasts to the parents to inform them of the treatment at our school this weekend.
- **Spring Sports:**

Our Boys' Baseball Team and Girls' Softball Team seasons are in the last two weeks. The Baseball Team is currently 8 and 2 while the Softball Team is 3 and 7 start. The Baseball Team is still in the hunt for the conference title. Please visit our website for the schedule of the remaining games and locations.
- **Recognitions and Awards:**

Hannah Adedokun represented our school at the annual Eighth Grade Conversation on April 18th at the Mary Voltz School in Runnemede. Hannah handled herself with poise and confidence and did an excellent job of representing our school. A special thanks to Mrs. Ratajski and Mr. Ford for attending this event.
- **Upcoming Events:**

The Spring Music Concert will be held on May 7 at 7:00 PM in the Cafeteria.

B. Business Administrator's Report

- On 4/27 the library, server room, and a classroom flooded with 2 inches of water due to a HVAC coil breaking in the library univent. Once the water valve was shut down I immediately called AllRisk for cleanup then the insurance company to ensure coverage for cleanup and possible property losses. AllRisk was on scene within an hour of calling. Fortunately, the District did not suffer any property damage, only the inconvenience of displacement to allow for cleanup.
- I sent notice to Bond Committee via email on 4/23 about the need to redesign the parking lot for the bond due to various DOE concerns related to property lines, required offsets, right of ways, and easements. The new design has 57 new parking spaces where the old design had 77 spaces, yielding a loss of 20 spaces. On the 25th, I gave the architect the go ahead to resubmit the proposal with the new design as to not hold up the DOE approval process. To date, we have not heard from the DOE. The architect did assure me today that we still have plenty of time to remain on schedule.
- I had our RFP opening this past Tuesday for our 18/19 professional services. I completed my evaluation/tabulation sheet and have made my recommendations for the Board's approval on today's agenda. Please feel free to ask any questions regarding my recommendations.
- I received another resume for tech director late this afternoon. He looks like a strong candidate and have forwarded the resume to Mr. Bryan with a recommendation for an interview.
- I want to personally thank the policy committee for their efforts in clarifying our use of building policy. It was an awesome and productive meeting where every participant's ideas and suggestions were considered. Kudos to you all and thank you!!
