Dear Parents,

I am writing to introduce the Intervention/Title I staff your child will be working with this year. We are excited to have the opportunity to work with your child. The Intervention program is designed to support students based on specific areas of strengths and weaknesses. We will be providing extra support by working with small groups to promote successful learning.

Your child has been identified as eligible for Intervention/Title I services based on data from the district's MAP testing, along with state assessments and classroom performance. Your child's MAP scores may fall in either the "At Risk" or "Well Below" categories indicating a need for extra support to promote academic growth. For more information on MAP testing, please go to [www.nwea.org](http://www.nwea.org).

If selected based on specific areas of weakness shown on WADE assessments in Reading, your child may participate in the Wilson Reading Program. For more information on this program go to [www.wilsonlanguage.com](http://www.wilsonlanguage.com).

If you should ever have any questions or concerns, please feel free to email **[mseigman@somerdale-park.org](mailto:mseigman@somerdale-park.org)**.

We look forward to working together as a team to achieve your child's academic goals.

Sincerely,  
Mrs. Mandy Seligman  
Mrs. Nancy Burns
