

3-5 Parents/Guardians and Students,

We have music class once a week in school, so the music department is asking that you choose at least one activity a week to complete for music class on the choice board on the other side of this paper!

There are assignments that will require a computer and internet, while some you can do with paper and a pencil. Please pick the assignments you are comfortable with. Even though we are asking that you do at least one music activity a week, feel free to complete the board. If that happens, feel free to repeat any activity as well! This board will also be accessible on my website link below.

For more music department information, resources, tools, and activities, please visit my website: Mr. Terry's website @ <https://tinyurl.com/sterryMusic>

Thanks! – Mr. Terry Email: sterry@somerdale-park.org

Please complete and keep this log as a record of completed music assignments – thanks!
